- Ease-of-use: Choosing browsers for cross-browser execution made much simpler
- Ease-of-use: Application recorder now remembers title of last recorded window
- *Google Chrome browser support*
- *Google Widget Toolkit testing support*
- *Yahoo User Interface testing support*

Download Instructions

To obtain this version of Rapise™, you need to log in to the customer area of the Inflectra® Website at: <http://www.inflectra.com/CustomerArea>. From there you can find the list of downloads under “My Downloads”. Simply right-click on the installation link, download the Microsoft Installer (.msi) package to your computer, and then double-click on the package to begin the installation.

The installer will detect the existing version on your computer (if any) and upgrade the program files and migrate your data into the new version. *After installation you may be required to activate your product using the provided activation code.*

The full installation and user's guide can be found at <http://www.inflectra.com/Rapise/Documentation.aspx>.
